Patient Information:

Welcome to Leigh Orthopedic Surgery Center, a facility designed and built to provide patients and surgeons the latest capabilities and amenities in outpatient surgical and procedural care. This brochure will answer your questions and provide you with information you need to make your outpatient surgery/procedure go smoothly.

Before Your Surgery:

- A registered nurse will conduct a pre-admission interview by phone prior to your scheduled day of surgery. The nurse will review your medical history and your medication history with you, review your instructions, answer your questions and tell you what time to arrive at the center for your procedure.
- The center is open between the hours of 7:00am and 5:00pm, if you have not heard from us by 2:00pm the day before your scheduled procedure, please call us at 757-624-0700.
- In the event you need to cancel your scheduled surgery, please notify your physician's office or the center at 757-624-0700.
- Medication instructions for taking or withholding medicines, especially for blood pressure, diabetes, and/or seizures should be reviewed with your physician prior to the day of surgery.
- If you become ill within a few days before your procedure, even with a mild cold or flu symptoms, notify your physician.
- Transportation arrangements need to be made prior to the day of your procedure. **You will NOT be allowed to drive after receiving general anesthesia or sedation.** You must arrange for someone to drive you home and to be with you for 24 hours after your procedure if you received anesthesia. Your driver should plan to stay at the center during your procedure unless other instructions are given due to COVID restrictions and guidelines.

******DO NOT EAT OR DRINK ANYTHING AFTER MIDNIGHT THE EVENING BEFORE YOUR SURGERY, UNLESS YOUR PHYSICIAN TELLS YOU OTHERWISE******

Day of Surgery:

- Please bring your insurance cards, photo I.D. and co-pay's that are due at time of service.
- Wear loose fitting clothing, remove or leave your jewelry and all valuables at home.
- Take all medications as instructed by your doctor with a small sip of water.
- Arrive promptly at your scheduled time so you have adequate time for all necessary admission procedures.
- A parent or legal guardian must accompany patients under 18 at the center during the entire visit. Legal guardians must provide proof of guardianship for medical treatment.
- The nursing staff will offer family members periodic updates on your progress and recovery.

Recovery:

After your surgery we will move you to our post-anesthetic care unit and monitor you until you are ready for discharge. You will receive specific discharge instructions from your physician for your recovery at home. Also, you may receive a prescription for one or more medications to take during your recovery.

*****Should you experience any complications while at home, please contact your physician's office*****

Insurance and Co-Pays:

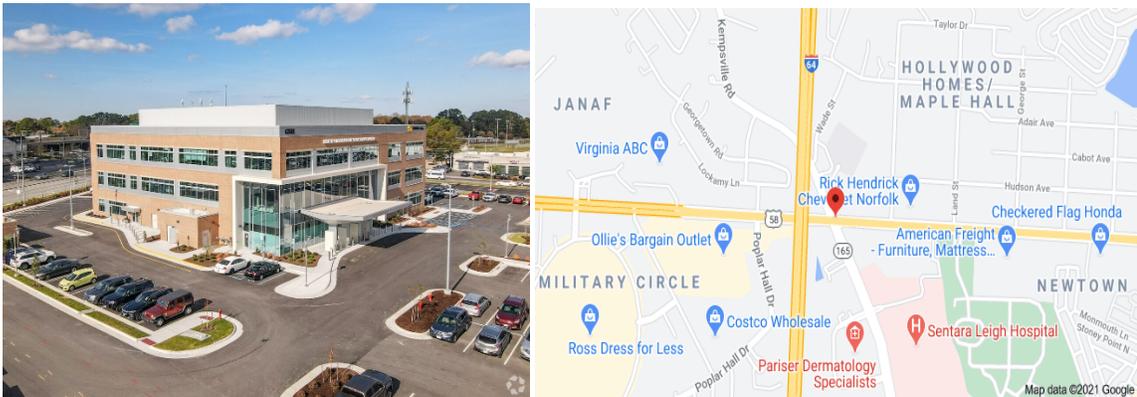

Leigh Orthopedic Surgery Center takes most major insurances, but is not in network with Virginia Premier and our staff will assist you in verifying what your insurance will cover. According to some insurance plans, patients are responsible for a co-pay made directly to the outpatient facility at the time of the surgery, we will notify all patients in advance of any co-pays that are due on the day of surgery. Leigh Orthopedic Surgery Center accepts, cash, check and Visa and MasterCard credit cards.
